Claims-eligible participants who are actively-employed and receiving monthly employer contributions must have a minimum account balance of \$2,000 to begin/renew an automatic premium reimbursement.

Make sure your documentation has everything we need!

The documentation you submit needs to contain all four of the following:

- 1. Name of covered individual(s);
- 2. Coverage period or effective date;
- 3. Name of insurance carrier: and
- Premium amount.

Common forms of documentation include your statement of insurance, open enrollment notice, or premium billing statement. If you are requesting reimbursement for tax-qualified long-term care insurance premiums, be sure to include a copy of your policy's Declarations page. The Declarations page usually contains confirmation that the policy is tax-qualified.

Is my premium eligible?

The below list of qualified premiums is not a complete list, but it does contain many examples of the types of premiums eligible for reimbursement.

- Medical*
- Dental
- Vision

- Medicare
- Medicare supplement plans
- TRICARE premiums (medical and dental plans)
- Long-term care (tax-qualified; subject to IRS limits)

As a reminder, premiums are not eligible for reimbursement if they are:

- 1. Paid by an employer;
- 2. Deducted pre-tax through a Section 125 cafeteria plan;
- 3. Eligible for pre-tax deduction from your (the participant's) paycheck through your employer's Section 125 cafeteria plan; or
- 4. Subsidized by the premium tax credit.
